Theo's had his personal property at Alpine Rec off and on since 2016. Other than his hospitalization for knife injuries from an altercation, he's been living at Alpine Rec. parents advised me of Theo's IG photos of Alpine youths, since deleted.

Good Morning,

Thank you for the information. LAHSA will be out there to speak to him next week and offer him services. I have Patrol Officers respond to Alpine Rec Center after 2230 hours to warn and cite him for sleeping in the park. However, when the Officers arrive, Theo is not there. Unfortunately, unless he commits a crime he is allowed to be at the park during park hours, which is a public place. In a public place there is no expectation of privacy from photos and/or filming. We will continue to respond during the evening hours to attempt to warn and cite him.

Take Care, Senior Lead Officer Elizabeth Ortega

Today at the press conference, I spoke about Business improvement district president George Yu, Tia Strozier neighborhood prosecutor and Elizabeth Ortega police officer harassment campaign to the news. I spoke on how they are working together to achieve their goal to manufacture criminal charges against me.

Thank you Theo Henderson, an unhoused #Chinatown resident. A community member talking about the daily harassment he experiences by the BID and law enforcement instead of any help from social workers.
